Dorchester, NH

Incorporated: 1761

Origin: First chartered in 1761, Dorchester was probably given its name in honor of ancestors of Governor Benning Wentworth, who held the titles Marquis of Dorchester and Earl of Kingston. Due to the inability of grantees to meet prescribed terms of settlement, the territory was granted twice more, once in 1766 and again in 1772, retaining the name Dorchester throughout. The town's first moderator, Captain John Thompson, was a descendant of David Thompson, who was one of the first settlers in the colony, at Rye's Odiorne Point in 1623.

Villages and Place Names: Bucks Corner, Cheever, North Dorchester

Population, Year of the First Census Taken: 175 residents in 1790

Population Trends: Population change for Dorchester totaled 198 over 50 years, from 141 in 1970 to 339 in 2020. The largest decennial percent change was 73 percent from 1970 to 1980, followed by 61 percent growth from 1980 to 1990. The town's population decreased by five percent from 2010 to 2020. The 2022 Census estimate for Dorchester was 345 residents, which ranked 224th among New Hampshire's incorporated cities and towns.

Population Density and Land Area, 2022 (US Census Bureau): 7.7 persons per square mile of land area. Dorchester contains 44.6 square miles of land area and 0.6 square miles of inland water area.

All information regarding the communities is from sources deemed reliable and is submitted subject to errors, omissions, modifications, and withdrawals without notice. No warranty or representation is made as to the accuracy of the information contained herein. Specific questions regarding individual cities and towns should be directed to the community contact.
