## Raymond, NH

## Incorporated: 1764

**Origin:** According the NH State Papers, this territory was originally purchased in 1717 from an Indian by Colonel Stephen Dudley. The town was first settled by families from Exeter as a parish of Chester. It was known as Freetown because the tall pine trees, which were reserved for the King's use, were usually taken by the local settlers, therefore it was a "free town". The town was set off from Chester and incorporated in 1764 by Colonial Governor Benning Wentworth. According to Joseph Fullonton, in his History of Raymond, published 1875, the name was chosen as "a new and classical one." Fullonton fancied the name meant "Shining World".
