Sandown, NH

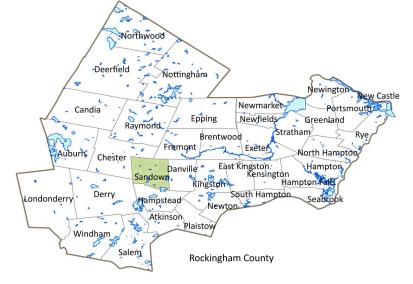

Incorporated: 1756

Origin: This territory was part of the original Kingston grant of 1694. As the western portion of Kingston became more heavily populated, residents felt that they could support a meetinghouse of their own, and petitioned Governor Benning Wentworth for separation. Sandown was incorporated as a separate parish in 1756. It was named for picturesque Sandown on the Isle of Wight. The first minister of Sandown, Reverend Joseph Cotton, built the Sandown Church in 1773. The church had an eleven-foot high pulpit and marble columns supporting the gallery, and is an excellent example of early New England church architecture.
