Milton, NH

Incorporated: 1802

Origin: This town was originally the north parish of Rochester known as Three Ponds or Milton Mills. Located along the Maine border on the Salmon River, it was the location of several mills, and the scene of early manufacturing. Following the 1798 incorporation of the northwest parish as Farmington, Rochester's territory was over 20 miles long, making travel to the meetinghouse difficult, and the north parish was incorporated as Milton in 1802. The name Milton may have come from a relative of the Wentworths, William Fitzwilliam, Earl of Fitzwilliam and Viscount Milton. Milton's Mount Teneriffe was named in honor of the volcano on the Canary Islands.

Villages and Place Names: Hayes Corner, Laskey Corner, Milton Mills, Town House
